

File a Complaint

1. Rejects PNR numbers that are not exactly 10 digits.
2. Ensures only valid 10-digit PNRs are accepted.

Invalid Case :-

The screenshot shows the 'Railway Complaint Dashboard' with a dark blue header. At the top right are 'Home' and 'Logout' buttons. Below the header, the page title 'Railway Complaint Dashboard' and a welcome message 'Welcome, amit' are displayed. The main form area has several input fields:

- Submit New Complaint**
- Username:** amit
- PNR Number:** 1234 (highlighted in red)
- Bogie Number:** A2
- Seat Number:** 45
- Complaint Description:** INVALID COMPLAINT
- Issue Domain:** Cleaning
- Upload Image (Optional):** Choose file | No file chosen

A validation error message 'Please match the format requested. PNR should be 10 digits' is shown next to the PNR number field. At the bottom are 'Submit Complaint' and 'View My Complaints' buttons, and a copyright notice '© 2025 Rail Madad - Indian Railways. All Rights Reserved.'

Valid Case :-

The screenshot shows the 'Railway Complaint Dashboard' with a dark blue header. At the top right are 'Home' and 'Logout' buttons. Below the header, the page title 'Railway Complaint Dashboard' and a welcome message 'Welcome, amit' are displayed. The main form area has several input fields:

- Submit New Complaint**
- Username:** amit
- PNR Number:** 2345678954
- Bogie Number:** A12
- Seat Number:** 67
- Complaint Description:** Valid complaint
- Issue Domain:** Cleaning
- Upload Image (Optional):** Choose file | No file chosen

A success message 'Complaint successfully submitted!' is displayed above the 'View My Complaints' button. At the bottom are 'Submit Complaint' and 'View My Complaints' buttons, and a copyright notice '© 2025 Rail Madad - Indian Railways. All Rights Reserved.'

Order meals

Valid case :-

Rejects seat numbers not matching the format “**S-number**”.

2. Ensures valid format like “**S-20**” is entered.

The screenshot shows a mobile application interface for ordering food. At the top, there is a product card for "Tea" with a small thumbnail image. The product details are: Tea is a soothing beverage made by brewing tea leaves in hot water, offering warmth, aroma, and refreshing flavor. Price: ₹30.00. A blue "Add to Cart" button is visible. Below this, the "Delivery Details" section is shown, indicating support for pay-on-delivery only. The "Delivery Seat Number and Coach number" field contains "23 A13". An "Additional Notes" field contains the text "food should be freshly prepared". At the bottom, a large blue "Place Order" button is present, with a green success message "Order placed successfully!" displayed below it.

Invalid case:-

The screenshot shows a mobile application interface similar to the previous one, but with an invalid input. In the "Delivery Details" section, the "Delivery Seat Number and Coach number" field contains "AA-A", which is an invalid format. A red error message box appears, stating "Please match the format requested. Format: CoachSeat-SeatNumber (e.g., S1-45, B13-123)". The rest of the interface, including the menu items and order placement process, remains the same.

Emergency Assistance

Inalid Case:-

Ensures Train Number is a valid integer.

2. Coach Seat must follow the format “**S-number**” (e.g., **S-20**).

Share FeedBack

Email should be valid it should contain @ in between

Invalid case;:-

The screenshot shows a feedback submission interface. At the top, a header reads "We value your feedback" with a sub-instruction: "Tell us how we can make your journey better. Your comments are reviewed by our service teams." Below this are input fields for "Name" (containing "vineet") and "Email" (containing "abcd"). A validation error message is displayed: "Please include an '@' in the email address. 'abcd' is missing an '@'." There is also a rating field set to "5" and a "Comment" field containing "Invalid cases". A blue "Submit Feedback" button is at the bottom.

Valid case;:-

The screenshot shows a feedback submission interface. The "Name" field contains "amit". The "Email" field contains "amit@gmail.com", which is a valid email address. The "Rating (1-5)" field is set to "4". The "Comment" field contains "it was overall good experience". A green success message "Thank you for your feedback!" is displayed above the "Submit Feedback" button. The rest of the interface is identical to the invalid case screenshot.

Vande Bharat supplier list: 4 hidden gems powering India's train revolution

The government of India allocated ₹576.9 billion in the budget 2025 to buy 200 Vande Bharat trains. This allows demarcates India's emerging path toward rail modernization, as the government aims to launch 400 Vande Bharat trains in the coming years. The estimated opportunity size is about ₹600 billion for Vande Bharat and ₹650 billion for other variants of Vande Bharat trains, as per Titagarh management. Notably, the demand for Vande Bharat is also creating the demand for ancillary services. From propulsion systems to forged wheels, key
